

Muhamad Iqbaal Dhoifulloh

ABOUT ME

01

I am a Computer Science graduate from Muhammadiyah University of Sidoarjo with nearly 2 years of experience as a Fullstack Developer, specializing in web application development.

Currently, I work as a Fullstack Developer at Fitnessplus Indonesia, where I develop internal systems, manage websites, and implement digital solutions to support business operations. In addition to my full-time role, I actively work on freelance projects.

I have a strong interest in ERP development, management dashboards, warehouse management systems, reporting systems, and modern web applications built with Next.js.
